Rules:

- Study days (4, 6, 8, 10, 11, 13, 15 May): the student studies in two sessions. He studies half of the day's allotted study hours, takes a break, then studies the remaining half to complete the full hours.
- On study days the morning session starts between 9:00 AM and 10:00 AM, and the evening session starts between 3:00 PM and 4:00 PM.
- Test days (3, 5, 7, 9, 12, 14, 16 May): the student studies the full allotted hours in a single session, starting between 5:00 PM and 6:00 PM (he studies after the test, which helps in the next test).
- 17 May is the final test, so there is no study on that day.
- Study-hour amounts for each student are taken from the previous study-hours schedule.

Note: The times shown in this sheet are the times at which each student STARTS studying.
