JEE (Advanced) examination is known globally for maintaining its high standards and integrity. The JEE (Advanced) 2025 was conducted successfully, with utmost integrity, and without any hiccups. The successful conduct of JEE (Advanced) 2025 was not possible without the active and unconditional support from Joint Admission Board (JAB) members, Joint Implementation Committee (JIC) members, our colleagues and many other officials in the IITs. We would like to express our heartfelt thanks to Professor Manindra Agrawal for his visionary leadership, advice, guidance and support during the entire period of the conduct of JEE (Advanced) 2025 and Joint Seat Allocation Process through JoSAA 2025.

We are also grateful to all the JAB members for their continuous support, feedback and suggestions. Without the continuous and excellent support, planning, discussions, opinions of all the JIC members, working tirelessly and selflessly for continuous betterment of the system, bringing in new innovative ideas, it would not have been possible to smoothly conduct any of the examination activities. We especially would gratefully acknowledge the guidance and help from the previous organizing vice chairpersons of JEE(Advanced) 2024, Prof. Jayalal Sarma and Prof. Ratna Kumar Annabattula. Their wisdom on several matters related to the JEE (Advanced) examination and JoSAA helped us immensely in taking right decisions.

- If a Board gives aggregate marks considering the results of both years of a 2-year Intermediate or equivalent course, then the marks scored only in the final year will be considered. In case such a Board gives marks of both years separately, then also the marks scored only in the final year will be considered.
- If a Board gives aggregate marks considering the results of all three years of a 3-year diploma or courses of equivalent duration, then the marks scored only in the final year will be considered.
- If a Board follows a semester system, then the marks scored in the final two semesters will be considered.
- In case any of the subjects Physics, Chemistry, Mathematics and Language are not evaluated in the final year (e.g., in a 3-year diploma course), then the marks for the same subject from the previous year/s will be used for calculating percentage of aggregate marks.
- If a Board does not give marks scored in individual subjects but gives only the aggregate marks, then the aggregate marks given by the Board will be considered as such.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2023 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2022-23 on or after June 28, 2023.

Regarding the cut-off marks for the top 20 percentile

- The category-wise cut-off marks for the top 20 percentile are calculated based on the marks scored by the successful candidates who appeared in their respective boards for all the required subjects, in the particular year.
- The cut-off marks for PwD candidates will be the same as the lowest of the cut-off marks for GEN, OBC-NCL, SC and ST categories.
- It is clarified that top 20 percentile cut-off for the academic year 2024–25 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2025.
- Similarly, top 20 percentile cut-off for the academic year 2023–24 will be considered against the successful candidates who appeared in the Class XII (or equivalent) examination in 2024.
- Candidates who appeared in Class XII (or equivalent) examination for the first time in 2024 and wish to (or have to) reappear in 2025 with the objective to qualify through top 20 percentile cut-off criteria, must reappear in all the subjects. For such candidates, top 20 percentile cut-off for 2025 will be considered.
- In case a Board does not provide information about the cut-off for the top 20 percentile, the candidate will have to produce a certificate from the respective Board (in the format given in Annexure II) stating that he/she falls within the top 20 percentile of successful candidates. If the candidate fails to do so, then the cut-off marks, in the respective categories, of the Central Board of Secondary Education will be used.
- The above will also apply correspondingly to those candidates who first appeared for their Class XII examination in 2023 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2022-23 on or after June 28, 2023.

Regarding the aggregate marks of 75% (or 65% for SC, ST and PwD)

- The aggregate marks scored by the candidate in the 2025 Class XII (or equivalent) Board examination will be considered for candidates who will appear in the Class XII examination in 2025.
- The aggregate marks scored by the candidate in the 2024 Class XII (or equivalent) Board examination will be considered provided the candidate does not reappear in the Class XII (or equivalent) examination in 2025 in any of the subjects.
- If a candidate had appeared in his/her Class XII (or equivalent) in 2024 and wishes to improve his/her aggregate marks to meet the “aggregate marks of 75% (or 65% for SC, ST and PwD) criterion”, he/she can reappear for any number of subjects he/she wishes for improvement. The percentage marks in this situation will be calculated by considering the marks obtained in 2024 or 2025, whichever is higher, in the respective subjects, in his/her two attempts in 2024 and 2025.
- The above will also apply correspondingly for the candidates who first appeared for their Class XII examination in 2023 but the examination Board of Class XII (or equivalent) declared the results for the academic year 2022-23 on or after June 28, 2023.
- The marksheet submitted by the candidates for their Class XII (or equivalent) examination must be issued by a single examination Board.
