## Annex C - Group I: HCFCs (production)

| <i>Non-Article 5(1) Parties: Production</i> |                                                                                                                                                                                                     | <i>Article 5(1) Parties: Production</i> |                                                                                                                                                                                                                                                     |
|---------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Base level:                                 | Average of 1989 HCFC production + 2.8 per cent of 1989 CFC production and 1989 HCFC consumption + 2.8 per cent of 1989 CFC consumption.                                                             | Base level:                             | Average 2009-10.                                                                                                                                                                                                                                    |
| Freeze:                                     | January 1, 2004, at the base level for production.                                                                                                                                                  | Freeze:                                 | January 1, 2013.                                                                                                                                                                                                                                    |
|                                             |                                                                                                                                                                                                     | 10 per cent: reduction                  | January 1, 2015.                                                                                                                                                                                                                                    |
| 75 per cent: reduction                      | January 1, 2010.                                                                                                                                                                                    | 35 per cent: reduction                  | January 1, 2020.                                                                                                                                                                                                                                    |
| 90 per cent: reduction                      | January 1, 2015.                                                                                                                                                                                    | 67.5 per cent: reduction                | January 1, 2025.                                                                                                                                                                                                                                    |
| 100 per cent: reduction                     | January 1, 2020, and thereafter – allowance of 0.5 per cent of baseline production until January 1, 2030 for the uses defined in Article 2F paragraph 6(b) and – possible essential use exemptions. | 100 per cent: reduction                 | January 1, 2030, and thereafter – allowance of 2.5 per cent of baseline production when averaged over ten years 2030–2040 until January 1, 2040 for the uses defined in Article 5 paragraph 8 ter (e) (ii) and – possible essential use exemptions. |
